

Wilson Connect

CONNECTED IN FAITH. GROWING IN COMMUNITY.

OUR FIRST DIGITAL ISSUE

Thank you to everyone who voted and helped choose the name **Wilson Connect**. It feels fitting for what we hope this becomes: a simple, regular way for our church and school family to stay connected between printed newsletters.

A NEW RHYTHM

This first issue is intentionally simple. As more updates, photos, and stories are shared, The Wilson Connect will grow with us, helping everyone know what is happening now while preserving room for deeper stories in print.

August Recap

A Sweet Start to the School Year

WJA kicked off the school year with a fun evening for students and families. Registration helped everyone prepare for the year ahead, followed by an ice cream social and community softball game. It was a wonderful evening filled with laughter, connection, and school spirit.

Welcome to Wilson

WJA is excited to welcome teacher Will Reed and Principal Michael Gusky to the Wilson community. Although they are new to Wilson, both offered a warm welcome to students and parents during registration. We look forward to the leadership and enthusiasm they will bring to our school family.
